

## Go to Tools, then Redact.

## Go to the redaction tool, then select **Redact Text & Images**. Select what you want to redact.

Then, click **Apply** to make the changes stick.

## Set-Up

I changed the settings so that we will cover the redacted text with the word **Redacted**. To change the default settings to match this, go to **Properties** in the Redaction tool and change the settings to match below.

NOTICE

POLICE COMMUNITY RELATIONS MEETING

TUESDAY, JULY 27TH 1965

8 P.M.

FREEDOM HOUSE, 14 CRAWFORD STREET

Although we know that you have the last Tuesday of each month clearly marked "Police Community" on your calendars - and that you firmly set aside all other commitments (even baseball games) so that you will be free to attend these important monthly get-togethers with the Captains of Station 9 - the days do speed by and before we know it the Tuesday is upon us. Therefore, in order that no one be caught unaware, we are sending you this reminder that Tuesday coming is the night - so please be sure to come.

Students and Staff of the Roxbury Work and Study Project will join with us for this one evening.

SEE YOU TUESDAY!
